

game-host-adapter/include  
/test-helpers/rh\_vector.h

```
graph TD; A["game-host-adapter/include<br>/test-helpers/rh_vector.h"] --> B["vector"]; A --> C["rh_allocator.h"]
```

The diagram illustrates the include relationships for the file `rh_vector.h`. A top box, shaded gray, contains the path `game-host-adapter/include/test-helpers/rh_vector.h`. Two blue arrows originate from the bottom of this box. The left arrow points to a box labeled `vector`, and the right arrow points to a box labeled `rh_allocator.h`.
